

# Charisma y Eros

## Divine Harmony

Son,

The image on the left came to me regarding your music business ambitions. It depicts the process of how Charisma raises Eros in the listeners. At the bottom is the audience (Coyolxauhqui Stone). Their ears are deaf because the "bells in their cheeks" are not resonating. They know in their genes what they want to hear, but they cannot make the resonating music.

Above the stone is the auditorium (Templo Mayor). The temple is made of resonant chambers dedicated to the sounds of ascending emotions. Ascending emotions are Eros. They are sensations that take listeners over the Moon as a Child of the Earth.

Dominating the top of the temple is the Hummingbird who rides his own "car toon." He is a clown that tries to inspire others by self promotion, and the audience is not interested in the War Dreams of his Ego. But, if he sacrifices his self desire and puts his whole beating heart in the gut of Chac-Mool, miracles happen.

When we witness a performer in any field who bets his heart on the rising of the spirits of another, we witness Charisma. The charismatic warrior is the eagle that lifts the stone cold person by resonating the Eros spirit throughout the temple. This carries the "Spirit of the Dead" up and out of the Underworld of lifeless emotion. The chimes on the cheeks of Coyolxauhqui resonate with Divine Harmony as she goes beyond the Moon.

You have seen people in life who carry dead spirits aloft. They always do it to accomplish the uplifting of the audience, not the verification of individuated self worth. When the Charisma of the Eros Spirit rises the reward will be that the rising dead will give their hearts to the performer. That is Charisma. In the Entertainment Business, this is the whole Ball Game. Bet your heart and "Play that funky music right."

Dad

*Yeah, There was a funky singer Playin' in a rock & Roll Band  
And never had no problems yeah Burnin' down one night stands  
And everything around me, yeah  
Got to stop to feelin' so low And I decided quickly, Yes I did  
To disco down and check out the show Yeah they was*

*Dancin' and singin' and movin' to the groovin'  
And just when it hit me somebody turned around and shouted  
Play that funky music white boy  
Play that funky music right  
Play that funky music white boy  
Lay down that boogie and play that funky music till you die  
Till you die , oh till you die*
